

IN THE DRAWINGS:

Submitted herewith are replacement sheets for Figs. 5-6 incorporating revisions to correct the spelling of "DISPLAY" (Procedure 206) and "FROM" (Procedure 302), respectively.

REMARKS

In the previously filed response dated June 8, 2007 to the Office Action dated March 8, 2007, applicants amended the claims to overcome the rejections under 35 U.S.C. §112, second paragraph, and 35 U.S.C. §101.

By this supplemental response, the specification has been revised to correct informalities and bring it into better conformance with U.S. practice. A new abstract which more clearly reflects the invention to which the amended and new claims are directed has been substituted for the original abstract. Replacement sheets are being submitted herewith for Figs. 5 and 6 correcting the spelling of "DISPLAY" (Procedure 206) and "FROM" (Procedure 302), respectively.

In view of the foregoing, and in light of the amendments and arguments presented in the June 8 response, the application is now believed to be in condition for allowance. Accordingly, favorable reconsideration and passage of the application to issue are respectfully requested.

Respectfully submitted,
